

RENT OR **OWN**

When You Rent:

- Landlord handles repairs and maintenance
- Landlord can raise rent, not renew your lease, or decide to sell
- You have limited ability to make changes and customize your space
- You're building wealth for someone else

RENT OR **OWN**

When You Own:

- You're responsible for repairs and maintenance—handle with care!
- You have a sense of stability and community
- You have more freedom to customize your environment
- You're building wealth for yourself
